LOCATION. Our office and growing grounds are located 1½ miles southeast of Olympia on Highway 5-I (Yelm Highway). Turn east off of Highway 99 at the Olympia Brewery.

HOURS. We are closed on Sundays except by previous appointment, as we have help to dig stock only during the regular business hours. However, with advance notice, we can arrange to have orders dug for evening or Sunday pickup.

SHIPPING. We can crate and ship only Bare Root items. The hardier conifers can be shipped B & B by auto freight. We can often arrange delivery to the Seattle-Tacoma area with our own truck. Otherwise, we request that the shrubs be selected and picked up here at the Nursery.
